

Company Profile

AL OMRAN
BUILDING CONTRACTING

The right side of the image features a large, low-angle photograph of a modern glass skyscraper reaching towards the sky. The building's facade is composed of a grid of dark frames and reflective glass panels. Overlaid on this image is a large, semi-transparent version of the Al Omran logo, including the stylized building icon and the text 'AL OMRAN — BUILDING CONTRACTING —'. The overall design is dynamic, with diagonal gold and blue lines intersecting the main image. The text 'AL OMRAN' is in a large, white, bold, sans-serif font, and '— BUILDING CONTRACTING —' is in a smaller, gold, sans-serif font below it.

ABOUT US

Al Omran Building Contracting is a general contracting company with nearly two decades of proven experience in delivering high-quality construction projects across residential and commercial sectors.

Established in 2007, the company has built a strong reputation for reliability, professionalism, and engineering excellence. Through efficient project management, skilled manpower, and advanced construction methodologies, Al Omran continues to deliver projects that meet the highest standards of quality, safety, and client satisfaction.

With a strong operational base in Ajman and an expanding presence in Dubai through Qemat Al Omran Building Contracting, the company continues to grow as a trusted partner in the UAE construction sector.

Vision & Mission

Vision

To become one of the UAE's most trusted and innovative construction companies, recognized for delivering sustainable, high-quality, and cost-effective building solutions.

Mission

To provide superior construction services through professional project management, skilled manpower, advanced engineering practices, and an uncompromising commitment to safety and quality.

OUR SERVICES

TURNKEY CONTRACTING

- Residential buildings (G+5)
- Villa construction
- Interior fit-out and finishing works
- Landscaping Works
- Electrical and Mechanical Works

HEALTH, SAFETY, AND ENVIRONMENT

At AL OMRAN, we provide frequent training to all employees that relate to emotional, physical, and mental well-being.

Furthermore, on-site measures like protective equipment, regular inspections, identifying & eliminating unsafe working conditions and practices facilitate a safe workplace for our workforce.

Our ongoing training on safety procedures, personal conduct, safety discipline, accident reporting, personal protection, attention to tools & equipment, and first aid best practices help us to maintain a professional and safe working environment.

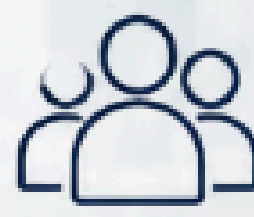

**SAFETY
FIRST**
